

Human Rights Commission of Sri Lanka

Public Notice

It has come to the attention of the Human Rights Commission of Sri Lanka (HRCSL) that some mischief makers have made representations to the police fraudulently posing as officers of the HRCSL. They have been wearing IDs with official insignia. The Commission is deeply concerned as there have been similar incidents in the past that have had to be referred to the authorities for investigation.

If any official or a member of the public has reason to doubt whether a person is genuinely representing the national Human Rights Commission of Sri Lanka, please call our hotline (1996) to verify.
